(Start Belt #2)

CLERK: (Reading).

Machine turned off - then turned back on.

SPEAKER: To my attention that some of the Senators are not very many of you, but some of you have been moving around here on final reading and although I realize there are times when a bill is exceptionally long that this may be necessary to some extent, however, you understand that if it were your bill on final reading, and if somebody was moving around lobbying, I don't know that's what they were doing, you would not appreciate it, so will all of you please try to remain in your seats. Proceed Mr. Clerk.

CLERK: (Reading)

SPEAKER: All provisions of law relative to procedure having been complied with, the question is shall the bill pass? All those in favor vote aye, all those opposed vote no. Have you all voted? The Clerk will record.

CLERK: Vote read.

SPEAKER: Senator Carpenter.

SENATOR CARPENTER: I did vote yes, now is this on the emergency clause?

CLERK: No.

SPEAKER: This is, emergency clause is not now attached, it's the Chair's understanding, is that right Mr. Clerk?

CLERK: Yes.

SENATOR CARPENTER: In other words, do they want the emergency clause on the bill?

SPEAKER: I think not Mr. Clerk, you'll have to ask Senator Chambers.

SENATOR CARPENTER: I was thinking about another bill.

SPEAKER: He says no.

SENATOR CARPENTER: I vote yes.

CLERK: Senator Carpenter voting aye.

SPEAKER: Senator Chambers. We haven't announced the vote yet Senator Chambers. The Clerk will announce the vote.

CLERK: 27 ayes, 15 nays, remainder not voting.

SPEAKER: I declare the bill passed. Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker and members of the legislature, this is almost to me like giving birth to the same child twice, to pass a bill such as this once is remarkable, to pass it twice in the same session is phenomenal, I want to thank those of you who stuck and I really mean it.

SPEAKER: The Clerk will read LB 14.

CLERK: Title Read LB 14.
